Aloha Board Members and Neighbors,

Happy New Year and I hope you all had a wonderful and festive holiday season!

My staff and I were honored to be a part of the unveiling of the Darrell T. Young Community Park held on December 18th. Although a bittersweet moment it was great to see the love and support from those in attendance.

Thank you for your continued support of my office and staff as we look forward to another fruitful and productive year.

*Mahalo,
Matt*

RESOURCES:

Bill 1 (2024)

Resolution 23-308

LEGISLATIVE UPDATES:

Bill 1 (2024), co-introduced by Councilmember Tyler Dos Santos-Tam and myself, it relates to raising the age of individuals allowed to purchase herbal cigarettes.

Since herbal cigarettes do not contain tobacco, they are not subject to the ban of selling to individuals under 21 years of age.

This bill was introduced earlier this month and has passed first reading at yesterday's full council meeting.

Resolution #23-308, co-introduced with Council Vice-Chair Esther Kia'aina, this measure urges the city administration to work collaboratively to prevent the spread of invasive species. This resolution was adopted at yesterday's full council meeting.

Please do not hesitate to email me at mweyer@honolulu.gov or call our office at 808-768-5002 if you have any concerns or ideas about how to support and uplift our community.
